

Impact Breakfast

May 23, 2022

Registration: 7:45 am

Program begins: 8:30 am

Hybrid Event: The Charles Hotel, Cambridge & Online

You will be inspired, engaged and driven to action, all before you head to work! The Life Science Cares Impact Breakfast is a celebration of our mission and impact. It's chock full of stories from our nonprofit and corporate partners, as well as the communities we serve.

For 2022, we're offering the best of both worlds—opportunities to participate in-person AND online.

Our biggest fundraiser of the year, the Impact Breakfast is an opportunity for LSC to celebrate the progress made to alleviate the effects of poverty in Boston. A fast-moving morning program will feature our courageous nonprofit partners, while offering insight into how our sector can help our neighbors thrive as they strive to reach their full potential.

Sponsorship opportunities range from \$1,000 to \$50,000 and include access to and visibility at the in-person event, as well as the live stream.

Note: Tickets for the in-person event will be limited.
